

## Advanced Career Pathway Credit Application

Those who qualify for this program are students from a secondary school who have completed Advanced Career (AC) pathway courses. Those students have also been accepted to Minnesota State University, Mankato and intend to \*enroll in classes the following academic year.

### HOW THE PROGRAM WORKS

Secondary school students who have successfully completed the Advanced Career courses listed in the table below may be granted credit(s) for each applicable Minnesota State University, Mankato course, with the following conditions:

- Students must earn a grade B or better.
- Students must provide an official high school transcript of grades for Advanced Career courses.
- Advanced Career courses must have been completed at a certified Advanced Career school.

Advanced Career Pathway	Minnesota State Mankato Course
Clean Energy – 4 Courses	CM 108 (1) – Construction Work Experience

### How to Apply for Advanced Career Course Credit

1. Visit the MSU website ([www.mnsu.edu](http://www.mnsu.edu)), in the search box type Advanced Career Pathway Credit Application. There you will find a PDF link to this form that you can fill out electronically.
2. You will then want to submit the completed form, along with your high school transcript to: [engineering@mnsu.edu](mailto:engineering@mnsu.edu)
3. Once the form is received, an email confirmation will be sent your way along with instructions on how to submit your payment for the credits being applied to your Minnesota State University, Mankato Courses.  
**Note:** there is a registration fee of \$100 per university credit.
4. Upon approval of the course credit application form, the student will receive a grade of P (Pass) on the Minnesota State University, Mankato transcript.
